

**2019 Summer Regional Educational Consortium Professional Development Sessions**

**This schedule of sessions is subject to change.** Visit [Portaportal.com](http://Portaportal.com) (Guest Login: REC2019) for up to date information as the dates get closer. If a session is cancelled, registered participants will be notified via the email address provided in your registration profile. Please check it frequently prior to your sessions.

Prior to registration, you must create or update your profile in the WES registration system. **Registration is scheduled to open on May 1. Preregistration is required.** Walk-ins will not be allowed. Register EARLY as some sessions fill up quickly! **You may sign up for as many sessions as you wish.** There is no charge to participants. **Please attend all sessions you register for!!** To register, go to [Rappahannock.augusoft.net](http://Rappahannock.augusoft.net) and log in. Once you log in, go to Browse All Classes under Education and Training, click on Regional Education and all the classes will display. Add sessions to cart and check out. If you do not get a confirmation email your registration was not completed.

**\*If for any reason you are unable to attend a session you register for, you must contact the RCC Workforce Development Center at 804-333-6828 to cancel your reservation and allow someone on the waitlist to utilize your seat. School Superintendents will receive a list of participants per session.**

\*Building and room temperatures can fluctuate greatly during the summer and are not usually controlled on site. Please dress accordingly.

\*Snacks and drinks are not provided and may not be available at the site. You are welcome to bring what you need. Six hour sessions have an hour break for lunch and it is highly recommended that you bring your lunch, as restaurants are sometimes not convenient to the session site. Some sessions require you to bring a lunch. Please read the session details in the description column.

Certificates given indicate the number of hours you are in a session. Points may be “bundled” under professional development for teacher license renewal. See your administrator if you have questions.

**If you have any questions, contact Vicky Reid at [vreid@rappahannock.edu](mailto:vreid@rappahannock.edu) or 804-758-6755. Registration closes at 12 AM 10 days prior to each session. The specific location of each session is listed in Portaportal and in the list below. Please pay attention to session logistics for more information.**

7.9.19	8:30 AM – 12:30 PM	Designing Effective Formative Assessments  Course # 5600202  Class # 2591-31WF	<p>Curious about how to maximize the full potential of formative assessments in your classroom? This half-day interactive workshop offers a practical approach to designing effective formative assessment. Over the course of the workshop, we'll explore a model of formative assessment that provides a rich understanding of formative assessment as a process rather than an event. We'll also develop clarity about the various factors that influence formative assessment and how these factors interact. Participants will have the opportunity to experience multiple formative assessment techniques firsthand and to design formative assessment techniques for use in their own classrooms.</p>	Sarah P. From entertainment and connectivity to education and crime, our reliance on social networking is at an all-time high. This session will focus on the past, present, and future of social media and how social media may be used to commit and prevent crime in schools. Attendees will learn about contemporary social networking sites, tips and tools for teaching communities about social media, and will feature hands-on demonstrations of navigating different social media sites. Participants will learn that certain social media sites are used for certain activities, which may aid in monitoring social media in schools. This multi-media session will leave attendees with new knowledge and skills to use in their personal and professional lives and provide lessons to pass along to the communities the attendees serve.</p> <p style="text-align: center;"><b>Targeted Audience:</b> All School Division Staff</p> <p style="text-align: center;"><b>Session logistics:</b> Presenter: Jessica Smith</p>	Jessica Smith	RCC Glens 12745 College Dr., Glens, VA 23149  Room 112	Min = 10 Max = 35

7.10.19	8:30 AM – 12:30 PM	<p>Adolescent Brain Development and Trauma</p> <p>Course # 5600189</p> <p>Class # 2607-31WF</p>	<p>Mental health in young children is closely related to their social and emotional development because it includes how they feel about themselves and other people, how they approach problems and challenges, and how they cope with life. Good mental health helps people handle stress, make wise decisions, and get along with others in childhood, and throughout adulthood. However, experiences that children encounter can create stressful reminders that may be detrimental to their mental health. Experiences that persist or get worse over time can be toxic stressors that overwhelm children and make them especially vulnerable to mental health problems. This training session will provide an overview of how traumatic stressors can negatively impact a child’s social, emotional, and physical development and lead to problematic behaviors in the classroom, and how educational professionals, school administrators, and school resource officers can be more sensitive to a child’s individual needs.</p> <p><b>Targeted Audience:</b> All School Division Staff</p> <p><b>Session logistics:</b> Presenter: Monique Robinson Location: RCC Glenns Campus, 12745 College Dr., Glenns, VA 23149 Room 122</p> <p>*Pre-registration required *Bring your picture ID for check-in</p>	Monique Robinson	RCC Glenns 12745 College Dr., Glenns, VA 23149  Room 122	Min = 10 Max = 100

7.23.19	8:30 AM – 3:30 PM	<p>Strategies for Maximizing Potential in Low Achievers</p> <p>Course # 5600207</p> <p>Class # 2609-31WF</p>	<p>The one day workshop focuses on how to use a cognitive teaching strategy to maximize the potential of low achievers in the classroom in math, reading, and language arts. The main learning principle of this teaching strategy teaches teachers how to increase the student’s stored knowledge. Teachers will learn how to design a lesson that builds a <u>category network</u> and <u>strategic knowledge for the selected concept</u>. Teachers learn how to embed higher level thinking activities in each step of the teaching strategy. With planning lessons using this strategy teachers can successfully maximize the potential of low achievers in any discipline. The instructor will teach a sample interactive lesson on analyzing and writing simple sentences using the Chesapeake Bay animals as content. The participants will select visual representations in either math, reading, or language arts to develop their own lessons for their particular grade level. Each person should bring their SOL enhanced Scope and Sequence for their subject area.</p> <p><b>Targeted Audience:</b> School teachers (General and Special Education), K-12 Administrators, Paraprofessionals</p>	Audrey Lowery	RCC Glens 12745 College Dr. Glens, VA, 23149  Room 112	Min = 10 Max = 30

7.29.30	8:30 AM – 5:30 PM	<p>Youth Mental Health First Aid</p> <p><b>Course # 5600210</b></p> <p><b>Class # 2612-31WF</b></p>	<p>Youth Mental Health First Aid is designed to teach parents, family members, caregivers, teachers, school staff, peers, neighbors, health and human services workers, and other caring citizens how to help an adolescent (age 12-18) who is experiencing a mental health or addictions challenge or is in crisis. Youth Mental Health First Aid is primarily designed for adults who regularly interact with young people. The course introduces common mental health challenges for youth, reviews typical adolescent development, and teaches a 5-step action plan for how to help young people in both crisis and non-crisis situations. Topics covered include anxiety, depression, substance use, disorders in which psychosis may occur, disruptive behavior disorders (including AD/HD), and eating disorders. Successful completion of this course satisfies the VDoE mental health training recertification requirement for school counselors.</p> <p><b>Targeted Audience:</b></p>	Matt Lord	RCC Glenns 12745 College Dr. Glenns, VA, 23149  Room 152	Min = 10 Max = 30
